

Lowell High School PTSA 2010 Nominating Committee

January 25, 2010

Dear Lowell PTSA Member:

The Lowell PTSA 2010 Nominating Committee is currently seeking volunteers to assume leadership positions for the PTSA during the 2010-2011 school year. There are many positions requiring a variety of skills and time commitments that must be filled anew each year. Each job is important for the smooth and effective functioning of our organization and of Lowell High School.

Please review the jobs listed at the bottom of the attached *Nominating Committee Interest Form* and send an email to Nina Berg, our chairperson, with the requested information, or a completed form, indicating your interest in one or more elected or appointed positions. This process is open to any parent, student, faculty or staff PTSA member at Lowell HS. We have an enormously successful organization and the only way the Lowell PTSA can continue the success we have had in the past in supporting Lowell High School is to have members step forward and volunteer to help lead the PTSA activities for the following year. You must be a current Lowell PTSA member by February 25, 2010, to be considered for nomination to an elective office. Appointed PTSA Board members and committee chairs will be designated by the incoming president.

If you wish to volunteer, or have any questions or comments, contact Nina Berg, PTSA 2010 Nominating Committee Chair, at ninabergsf@yahoo.com.

Thank you for your PTSA membership and your support of Lowell High School.
